

# Going Back in Time

- In your pods, read pages 102-109 and complete the case study form for the Cuban Missile Crisis.
- Imagine you are either Khrushchev or Kennedy and their cabinet.
  - Create a plan to successfully end the Cuban Missile Crisis that completes your mission of either gaining a foothold in the Caribbean or ending the threat of Communism in Cuba.
  - Use any visual representation wanted (poster, memo, etc) to explain the problems, your countries response, and how this response would stop the other side from defeating you.
